- HTML5
- CSS3
- JavaScript
- Node.js
- React
- Django
- Python
- C/C++
- Java

## About me

Hi, my name is Collin Pfeifer. I've been interested in technology ever since I was a kid, taking apart DVR players and exploring the working parts, and watching hacking videos on YouTube. As a senior at Hamilton Southeastern High School I have expanded my passion for computer science by taking relevant coursework and proven my hard working abilities by taking college-level course work in multiple fields.
