

Collin PFEIFER

Fullstack Developer
Fishers

Collin Pfeifer been interested in technology ever since he was a kid, taking apart DVR players, exploring the working parts and learning about how computer systems work. As a senior at Hamilton Southeastern High School he has expanded his passion for computer science by taking relevant coursework and proven his hard working and team oriented abilities by taking college-level course work in multiple fields. Collin loves helping others, whether through his technology related skills or through volunteering, he wants to do everything he can to help the less fortunate.

Proficient in MacOS, Windows, Linux operating systems, and Microsoft suite tools
