

COLLIN PFEIFER

SOFTWARE DEVELOPER

Hi, my name is Collin Pfeifer. I've been interested in technology ever since I was a kid, taking apart DVR players and exploring the working parts, and watching hacking videos on YouTube. As a senior at Hamilton Southeastern High School I have expanded my passion for computer science by taking relevant coursework and proven my hard working abilities by taking college-level course work in multiple fields

EXPERIENCE

Software Engineer Intern - Fusion 902
Since November 2020

Developed and released to the market multiple websites for existing veterinary centers with Azure and Python automation, along with work along side Linux and Windows servers

Web Development Intern - Advanced Intelligence Services
Since October 2020

Worked with development team to modernize and recreate company website and integrate MERN stack to add security and resuability

Code Sensei Tutor - Code Ninjas
Since February 2020

Tutored kids between the ages 8-14, and gained leadership, learning, and computer science skills, specifically in JavaScript and C#

Web Development Intern - Nextech Systems
June 2020 - August 2020

Furthered my HTML5, CSS3, and JavaScript skills through a development project with Node.js and React frameworks

EDUCATION

General Education Degree

August 2017 - July 2021, Recieved an Academic Honors diploma along with taking 10+ AP and Dual-Credit courses
