<> Projects

hello friend
React and Node.js
An automated journaling app centered around fighting symptoms of depression, anxiety, and PTSD

About me

Hi, my name is Collin Pfeifer. I've been interested in technology ever since I was a kid, taking apart DVR players and exploring the working parts, and watching hacking videos on YouTube. As a senior at Hamilton Southeastern High School I have expanded my passion for computer science by taking relevant coursework and proven my hard working abilities by taking college-level course work in multiple fields.

Proficient in MacOS, Windows, Linux operating systems, and Microsoft suite tools

Skills

HTML5	CSS3	JavaScript
Node.js	React	Django
Python	C/C++	Java
